1. Communication and interaction by the company with its investors and other stakeholders

1.1. Dialogue between company, shareholders and other stakeholders

1.1.1. The Committee **recommends** that the board of directors ensure ongoing dialogue between the company and its shareholders, so that the shareholders gain relevant insight into the company and in order for the board of directors to be aware of the shareholders' views, interests and opinions in respect to the company.

NKT A/S aims to maintain a high and consistent level of information and to be proactive and open in its communication with shareholder related stakeholders within the boundaries of current stock exchange regulations. This is ensured by regular news, including company announcements and quarterly and annual reports released through Nasdaq Copenhagen during the financial year. The company's website also contains an Investors section where relevant information is published. In addition, NKT A/S provides an opportunity for interested parties to subscribe for company news.

The company's Investor Relations function, under a Head of Investor Relations, schedules meetings and telephone conferences with investors during the year.

In connection with release of each quarterly report and the Annual Report, an investor presentation containing key messages and financial highlights is conducted at a live audiocast. Financial analysts, investors, media and other stakeholders are invited to listen in and put questions to the Executive Management. Members of the NKT A/S business unit managements also participate to answer questions specifically related to each unit.

In addition, NKT A/S hosts a Capital Market Day at certain intervals in which investors are invited to participate.

1.1.2. The Committee **recommends** that the board of directors adopts policies on the company's relationship with its stakeholders, including shareholders and that the board of directors ensures that the interests of the stakeholders are respected in accordance with company policies.

NKT A/S has adopted an Investor Relations Policy which is available in the "Investors" section at the company's website. By means of its information and Investor Relation policies, NKT A/S strives to ensure that relevant and updated information is available for valuation of the company's share price, and that the company complies with prevailing stock exchange regulations.

Shareholder proxies granted for the general meeting enable shareholders to consider each individual item on the agenda.

1.3. Takeover bids

1.3.1. The Committee **recommends** that the company set up contingency procedures in the event of takeover bids, from the time that the board of directors has reason to believe that a takeover bid will be made. The contingency procedures should establish that the board of directors should not without the acceptance of the general meeting, attempt to counter the takeover bid by making decisions which, in reality, prevent the shareholders from deciding on the takeover bid themselves.

NKT A/S has adopted a Takeover Manual setting out the procedures to be followed by the Board of Directors in the event of a takeover bid.

The company's articles of association do not contain any provisions that limit ownership or voting rights, or that make it possible for the Board of Directors to generally prevent takeover bids.

The Board of Directors will consider a potential takeover bid in accordance with applicable legislation and the company's Takeover Manual.
